# Today's Homework ...

List all the organizations related to the UN that you can think of.

Look at the chart and see what organ is their main contact.

Look up one of the organizations on the chart that you have never heard of BUT that interests you and find out: what they do, who they serve, it's head, and follow them in the news for the next few months.

# Today's Homework ...

I. Knowledge of your NGOs work, projects and programs

2. Knowledge of the agencies, funds, programmes or subsidiary bodies of the UN that work aligns with

3. How your NGO's work UNIQUELY contributes that sets it apart from all other organizations and approaches.
